ADVANCE PREPARATION

- •Each participant will need a device with a microphone as well as a camera, and with internet access on the same device.
- •All participants must have video and sound turned on in their Zoom settings.
- Counsel, parties, and witnesses should include a designation such as "State of Kansas," "Defense Counsel," "Defendant by name," "State's Witness," or "Defense Witness" in their Zoom profile name for easy identification.
- •Participants should provide adequate lighting and sound for the judge to clearly see and hear them. All participants should be in a quiet location that affords safe and undisturbed participation. Attire must be appropriate for court proceedings as outlined by the Shawnee County District Rules.
- •Participants are encouraged to test Zoom before the hearing, including downloading the app at least one day before the hearing if using a tablet or phone.

SCHEDULING

- •The Court will serve as the meeting "host".
- •The judge will permit counsel, parties and witnesses to join the Zoom hearing as participants.
- •Participants must request the permission of the judge to join so the judge may protect against security concerns such as hacking.
- •The general public, family members and the media can observe the proceedings by a live stream on YouTube: https://www.youtube.com/channel/UCK TkpTxExXoqgkx1BhzQZrA
- •The Court will schedule the meeting and send an email invitation to counsel that includes the meeting link, meeting ID, and password. Counsel should provide their preferred email.
- •Whenever possible, no more than two attorneys for a party should appear.

COUNSEL RESPONSIBILITIES

Defense Counsel will advise clients of their constitutional right to appear in person and obtain a written waiver of the same, prior to the hearing.

- •Counsel will provide the meeting link and meeting ID to clients and witnesses, but are **prohibited** from distributing it further.
- •Counsel should prep their clients and witnesses by phone before the hearing to conduct Zoom rehearsals and explain the hearing protocol.
- •At least two days before hearing: Counsel must provide the judge all anticipated exhibits by email and must notify the court of the names of all hearing participants. Exhibits should be emailed to-the Division's administrative assistant.

THE HEARING

- •Participants will be placed in a waiting room when they join the meeting. The meeting host will admit participants individually from the waiting room.
- •All participants must have video and sound turned on. Each participant will speak only when called on by the judge in their Zoom settings.
- •The judge will remind all participants of the protocol at the start of the hearing. This will be a court proceeding and the same rules related to decorum and respect will be adhered to as if the hearing was held in person before the judge.
- •Each participant should ensure there are no distractions during the hearing.
- •The judge will call the case and call on each party individually to enter their appearance and their geographical location.
- •Each party shall designate a lead counsel who will speak during the hearing (other counsel may participate, but in order to avoid confusion only one may speak).
- •The share-screen function may be used by participants to display exhibits, but permission must be requested from the judge during the hearing.
- •The parties may request use of break out rooms for private discussion at any time.
- •Each participant will speak only when called upon by the judge.
- •The judge will announce when the hearing is adjourned and will end the zoom meeting.

- All hearings will be live streamed on the Court's YouTube channel and will be deleted after the live stream has concluded.
- Recording or rebroadcasting of the hearing is prohibited.
- A court reporter will make the official record of the hearing.

INTEGRITY OF THE PROCEEDINGS

- •The waiting-room function will be utilized to manage attendance.
- •The meeting link and meeting ID will be provided only to those with the judge's permission to join.
- •The judge may use the mute function for any participant who disrupts the proceeding.
- •The court will protect their Zoom accounts against internet security issues.

WITNESS TESTIMONY

- •A witness may not use notes, papers, phones, computers or anything else without permission from the court.
- •All electronic devices other than the device facilitating the testimony must be turned off.
- Counsel and the court may ask at any time to see anything the witness sees or to adjust cameras to ensure compliance with all court directives.
- No program or window will be open on any computer or electronic device in the witness' possession during testimony. No one is allowed to pass notes by electronic or other means to or from the witness during testimony.
- If a request for sequestration is granted, all witnesses will be moved to the waiting room until their testimony is needed.

MORE INFORMATION

- •More information about the Zoom software and application can be found at https://www.zoom.us
- Zoom offers many video tutorials on how to operate the various functions within the application on their website under the "Support" tab.
